

www.Boroleum.com

- Superior hydration to dry, cracked nostrils, moisturizing delicate and tender areas.
- Unique blend of menthol, camphor, petrolatum and eucalyptol, effectively soothes sore noses on contact giving immediate and sustained relief.
- Alleviates itching and pain, while the cooling effect helps extinguish burning sensation that often accompanies excessive dryness.
- When applied to nostrils, Boroleum helps relieve irritated nasal passages to help you breathe more freely.
- Prevents and protects chapped, chafed skin and lips.
- Gentle formula helps reduce swelling and redness.
- Ideal for allergy sufferers, or those in low humidity or wintery regions.
